Child and Adolescent Psychiatry (CAP) Training Application Instructions

1. First contact the Child and Adolescent Psychiatry (CAP) program and make sure they accept the new Common CAP Application, and ask if there are any additional requirements.

2. Complete the Common CAP Application form.

3. Send the following documentation with the application:

   a. Updated Curriculum Vita. Describe any gaps of more than one month in education or training, if applicable.

   b. Personal Statement describing your interest in child and adolescent psychiatry and plans for future professional work. (Some programs may have a page limit).

   c. Attestations page with your signature.

4. The Training Documentation Form must be completed by your current Program Director and mailed directly to the CAP Training Director.

5. Request a minimum of three letters of reference from faculty members who know you, (one letter must be from your current Program Director). If you have been in more than one training program, please have those program directors also send letters. Letters must be sent directly to the CAP Training Director.

6. A copy of your Medical School Transcript and Dean's Letter must be sent directly to the CAP Training Director.

7. Mail (or send electronically, if appropriate) the completed application package to include the Common Child and Adolescent Psychiatry Application, Personal Statement, Attestations page, and your CV.
