

American Association of Directors of Psychiatric Residency Training

Biosketch

Kim-Lan Czelusta, MD

AADPRT Position: Co-chair, Membership Committee

Kim-Lan Czelusta, MD is Associate Director of Resident Education at the Menninger Department of Psychiatry and Behavioral Sciences at Baylor College of Medicine. She completed her undergraduate education at Rice University and both her medical education and psychiatric training at Baylor College of Medicine. She joined the Baylor College of Medicine faculty in 2003 upon completion of her psychiatric residency, where she served as Chief Resident. Dr. Czelusta has been involved in psychiatric education as either Residency Director or Associate Residency Director for 15 years. Her areas of interest include professionalism, empathy, and psychotherapy. She has attended the AADPRT Annual Meeting every year since receiving the AADPRT Ginsberg Fellowship for Education and Teaching as a psychiatry resident.
