Thursday, March 3 - Saturday, March 5, 2016 – Coordinator Symposium

Greetings All!

Remember fixing our resident file problems? Your systematic program evaluation? That coordinators can make PRITE preparation fun with jeopardy labs?

Do you have a quick tip, an idea or a piece of information that you could share with the coordinator group at our Marchin meeting in Austin?

Don't feel you need to spend a lot of time preparing something. A few sentences about your idea that might help even one coordinator with their day is what we're looking for. It's so easy. Pick up your pen and send us one idea that might help your colleagues. It will only take two minutes.

The submission form is below. Fill it out (briefly!) and send it to us at [elaine.r.danyew@hitchcock.org](mailto:elaine.r.danyew@hitchcock.org) with "Austin SHORT Presentation Submission" in the subject line by Oct. 19.

We're excited to see your ideas and welcome all!
