

AADPRT Annual Poster Competition Details

We are pleased to announce that AADPRT is holding a competition for the “AADPRT 2019 Best Poster”. We will select the best poster and one Honorable Mention.

Who can participate: Anyone whose poster was selected for presentation at the annual meeting.

How to participate: Upload a pdf of your final poster to our Dropbox site **by January 11th**. The link to the site is:

Criteria for judging: Your poster will be judged by the same criteria for which it was selected. These criteria include pedagogy, educational value, and AADPRT relevance. In addition, we have two additional criteria, “visually effective” and “clear”.

Judges: The judges of this competition are AADPRT’s Regional Representatives. Thus, the judges were selected from membership at large.

Award: The first author on the winning poster and honorable mention poster will receive a certificate during the award ceremony at the annual meeting. If the first author is unable to attend, s/he should arrange for a co-author to accept the award on her/his behalf. These awardees will be notified one week before the annual meeting of their award.

We look forward to seeing your work and learning from you.
