CCC's Perspective

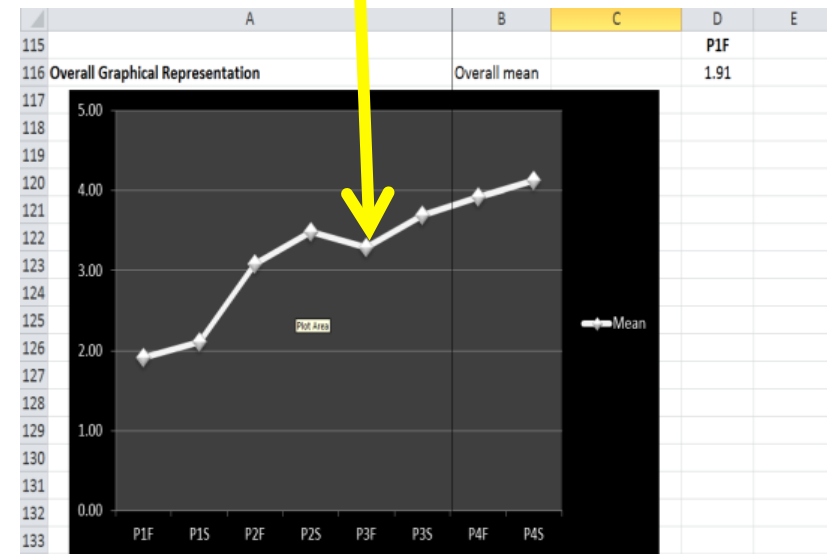

Barbara Cannon, M.D.

Flexible: focus attention where needed

Starting point for discussion

Efficient: 4 minutes/resident

Less bias

Let's get started!

Open 2 files:

1. **HSS-MD Sample**—this is how a resident's dashboard will look at time of graduation. We will start with this one.
2. **HSS-MD**—blank dashboard

HSS-MD Comprehensive User Guide—step-by-step instructions printed out

*Do not worry if you don't have a computer,
don't have files downloaded, or are already lost—
just follow along, it will make sense.*

Work with neighbor!
