

AADPRT Committee Chair/Liaison Representative Report
Executive Council Meetings
September 17-18, 2005

Date: 9/10/05

Committee or Liaison Group Name: **Development**

Chair/Representative's Name: Kathy Sanders

This year, the focus of fund-raising efforts is to establish the IMG Mentorship Program and the Ginsberg Fellowship with more stable funding. Additionally, pharmaceutical companies will be solicited to contribute \$10K to support the speakers and other activities for AADPRT's Annual Meeting.

Progress so far:

IMG Mentorship Program: have approached both Pfizer (previous funding source) and Forest to continue this program with funding at the \$50,000 level. Formal applications have been submitted. We are asking the pharmaceutical companies to make this a commitment for the next 5 years and will acknowledge their commitment by changing the name of the program to include their company's name (ie, IMG/Pfizer Mentorship Program).

Ginsberg Fellowship: Janssen has funded this fellowship for the last couple years and hopefully will continue to support this travel award for \$20,000 annually. If they should choose to make a 5 year commitment to fund the fellowship, we will change the name to the Ginsberg/Janssen Fellowship.

Aztra Zeneca, Wyeth, Bristol Meyer Squibb, Lilly, GlaxoSmithKline, Forest and Janssen are being asked to provide unrestricted educational grants to support the keynote speakers for the annual meeting. AZ, BMS, and Lilly require a more extensive and formalized application process.
